## WITHDRAWAL MANAGEMENT PROGRAM (WMP) HOME DETOX

We prioritise your well-being by offering a program that fits into your life, ensuring you receive the care you need without leaving your familiar surroundings.

## Personalised Service

Experience the flexibility of telehealth combined with the robust support of community resources. Our program provides a telehealth option allowing you to connect with healthcare professionals from home. This approach ensures you receive timely and effective support tailored to your unique needs.

At WMP, we believe in a personalised approach to recovery. Our team works closely with you to develop a program that addresses your specific circumstances and goals. By understanding your individual needs, we create a plan that maximises your chances of a successful recovery.

## How it Works

Our Withdrawal Management Program (WMP) offers a **FREE and Confidential Service**. Our team is **professional and caring**, providing a seamless and effective way to manage withdrawal symptoms from alcohol or other drugs (AOD), right in the comfort and privacy of your own home.

Proudly funded by

## Wrap Around Support Care Plan

Our program is built on a foundation of collaboration. We engage with participants, families, carers, and other support networks to create a comprehensive care plan.

We integrate broader health, mental health, and social services to ensure you have access to all the resources necessary for a holistic recovery journey.

Join our Withdrawal Management Program today and take the first step towards a healthier, substance-free life. With our support, you can navigate the challenges of withdrawal with confidence and ease.
